Wednesday – 16 May 2018

Lecture Hall

16:30-17:00
Opening

17:00-17:45
Nanotherapy

17:45-18:45
Hyperthermia Induced Physiological Alterations

18:45-20:00
Get-Together in the Industrial Exhibition

Virchow

09:00-09:45
Refresher I – Biology

09:45-10:30
Refresher II – Treatment Planning

10:30-11:00
Coffee Break

11:00-11:45
Refresher III – Evidence based Hyperthermia

11:45-12:30
Refresher IV – HIPEC & HITOC

12:30-13:15
Refresher V – Immunity and Hyperthermia

13:15-14:00
Lunch break

Thursday – 17 May 2018

Lecture Hall

09:00-10:00
Clinical Hyperthermia Session

10:00-10:30
Capacitive Hyperthermia

10:30-11:00
Coffee Break and ePoster Viewing

11:00-12:30
MR-Guided Thermal Therapies and Applications

12:30-13:15
SBRT and Brachytherapy combined with Hyperthermia

13:15-14:45
Lunch Break und ePoster Viewing

13:45-14:30
Industry-Sponsored Symposium

14:45-15:45
Biology Session

15:45-16:45
Cinical Trials Session

16:45-17:15
Coffee break and ePoster Viewing

17:15–18:00
Best Poster "Flash" presentation

from 19:30
Conference Dinner

Virchow

13:15-14:45
Lunch Break und ePoster Viewing

15:45-16:45
Hyperthermia for Benign Disease

Friday – 18 May 2018

Lecture Hall

09:00-09:30
Whole Body Hyperthermia

09:30-10:30
Thermoablative Therapy

10:30-11:00
Coffee Break and ePoster Viewing

11:00-12:30
Abdominal Tumors

12:30-13:15
Medical Physics in Hyperthermia

13:15-14:45
Lunch Break und ePoster Viewing

13:45-14:30
Industry-Sponsored Symposium

14:45-16:15
SAR Pattern control by Multi-Antenna Systems, Potentials and Limitations

16:15-16:45
Coffee Break and Poster Viewing

16:45-17:45
Atzelsberg Circle

17:45-18:45
ESHO Awards, Presentation of ESHO 2019 and Closing Remarks

Virchow

10:00-16:00
Nurse Symposium/ Radiation Therapist Symposium

Saturday – 19 May 2018

Charité

10:00-10:30
Press Conference

10:30-12:30
ESHO/Hyperthermia Patient Day
